The premium utility tractor redefining excellence through innovation

Meet TYM's flagship tractor, the T130. This utility tractor seamlessly merges sophisticated design with powerful performance, incorporating cutting-edge smart technology and premium features to provide the ultimate tractor experience.

1. Air-ride full suspension seat

3. Ergonomic operational control center

5. Shift controller, APS & drive mode dial

2. Side view mirrors

4. Smart charger and cup holder

6. Telescopic top link

High-powered Deutz engine

The T130 is fitted with the TCD 3.6 L4, Deutz Common Rail Engine with Bosch's advanced electronic hydraulic control system, which excels in high-intensity tasks. This engine delivers exceptional power and torque at a lower rpm, promoting durability and productivity over a longer lifespan.

Durable, shock-absorbing axle configuration

The front axle of the T130 excels in tough conditions, consistently offering robust load-bearing and long-lasting outboard planetary gear design and a limited-slip differential. The rugged front axle features a 4 Wheel Auto mode and generous 47-degree steering angle for precise control, maneuverability, and reduced tire wear.

Premium cabin

Enjoy panoramic views, easy entry and exit through both side doors, and a suite of premium cabin amenities that boost productivity while prioritizing safety and well-being.

High-capacity 3-point hitch

Equipped with a high-capacity 3-point hitch and designed to handle heavy loads up to 8,262 lb. or a variety of attachments, this tractor ensures secure and optimal performance for your agricultural tools. The high-capacity heavy-duty category 2 hitch allows you to quickly connect various attachments.

Telematics (S.A.M.)

Telematics come standard on the T130, enabling owners and operators to monitor and manage tracking location, optimize fuel usage, and receive maintenance alerts, among many other features. TYM's S.A.M. (Smart Agricultural Management) technology boosts efficiency and informs data-driven decisions for both individual tractors and equipment fleets.

Front-end loader

Engineered to lift higher and lift heavier materials, the TYM TL130SL is a self-leveling front-end loader optimized for superior material handling with a lift capacity of 5,414 lb.

10.1-inch touchscreen monitor

The 10.1-inch Bluetooth-enabled monitor gives you easy access to the tractor's control center. In-depth monitoring pages allow you to focus on the engine output, transmission, and 3-point hitch settings, along with diagnostics alerts. The large display is perfect for viewing front- and rear-mounted cameras (rear comes standard).

Smart key with remote start and control

The T130 smart key enables remote engine starts, hitch control, and push-button start/stop for added convenience.

Cast iron wheel option

Unlock even more versatility from the TYM T130 Utility Tractor with our newly available Cast Iron Wheel Option—engineered for precision in row-crop applications.
